

2004 Cabernet Sauvignon *Napa Valley*

Cabernet Sauvignon *Napa Valley* is a combination of two Cabernet growers from opposite ends of the Napa Valley, Calistoga and Napa. We source from the best vineyards to ensure that only the highest quality grapes are used to make this wine. This Cabernet Sauvignon *Napa Valley* is an approachable Cabernet from the valley floor and is an instant crowd pleaser: classy, immaculate, and delightful!

2004 Cabernet Sauvignon *Napa Valley* marks the return of the ever-popular valley floor Cabernet that Delectus fans have been requesting. In usual 2004 Delectus fashion (due to a hot September that year), we encourage you to consume this vintage sooner rather than later, due to the high alcohol level; aging should not extend beyond 2012.

Appellation: Napa Valley
Composition: CS 85%, ML 15%
Case Production: 350
Release Date: 09/15/08

Winemaker Notes: Deep, dark and intense aromas of blackberries, Grappa-soaked raisins and graphite fill the nose. The mouth is layered with soft tannins, nice structure and the mid-palate is densely packed and accented with flavors of dark roast coffee and cherries; the finish is long and gentle.
