

# DELECTUS

N A P A V A L L E Y

## 2001 Cabernet Sauvignon, Stanton Vineyard

The true Delectus fan will recognize this vineyard designation from our Merlot, which has carried the Stanton name since 1996. The Cabernet grows directly next to Hwy 29 in Oakville (the Merlot comes from the opposite end of the property, next to Napa River) and in previous years has gone into some top-end Napa Valley labels. 2001 was the first attempt for us with that block, with impressive results.

Vineyards: Stanton  
Appellation: Oakville, Napa Valley  
Composition: 96% CS, 4% ML  
Case Production: 1,400  
Release Date: May 2005

*Winemaker notes:* Plum stew, tobacco leaf, white pepper, and brandied cherries round out the nose. The palate is accessibly structured, supple, really opens up toward the back, long and slightly smoky finish. (GR 4/05)
